Certificate of Compliance EU RoHS

The European Union's Directive 2011/65/EU, also known as EU RoHS, is the "restriction of hazardous substances." This directive requires the EU member states to ban the use of six substances - lead (Pb), mercury (Hg), cadmium (Cd), hexavalent chromium (Cr6+), polybrominated biphenyls (PBB), and polybrominated diphenyl ethers (PBDE) – in the manufacturing of new electrical and electronic equipment.

This Certificate of Compliance (C of C) declares that based on METER Group, Inc.'s understanding of the RoHS directive, METER group has taken all reasonable steps to confirm producers' statements and other evidence regarding the absence of the restricted substances regarding the following parts sold by METER group.
