

Campbell Scientific, Inc.
Cellular Data Service
World-Wide Coverage Plans

Campbell Scientific Cellular Data Service is offered in the countries listed below. The list identifies the data plan code, associated cellular network carrier, and available countries. Orders for cellular data service need to indicate the desired plan.

Service in other countries may be available. Contact Campbell Scientific if service is needed in a country not shown on the list.

The customer is responsible to verify the modem is supported by the carrier.

Cellular data service is subject to the Campbell Scientific, Inc., Cellular Data Service Plan Terms and Conditions and Customer Agreement found at www.campbellsci.com/cell-terms.
