Important Product Notification

RE: Discontinuation Notice for CCFC Field Camera

Overview

Please be advised, due to parts obsolescence, Campbell Scientific has limited availability of the CCFC field camera. The purpose of this notification is to provide clients time to plan last-time-buy and product transition activities.

Limited Availability

Approximately 450 units of the CCFC will be made available for sale. Sale of the CCFC will be discontinued when this quantity has been consumed.

Support and Maintenance

The standard warranty terms will be honored for all units shipped. Campbell Scientific will continue to provide customer support and repair services for the CCFC until January 2029. Please note that specific repairs may not always be possible due to parts obsolescence.

Product Migration Options

We recognize that there are many faithful users of the CCFC field camera and apologize for any inconvenience this decision may cause. We hope to be able to continue working together with future products as we aim to improve measurement technologies that lead to actionable insights for the betterment of our communities and planet.

On behalf of Campbell Scientific, Inc., I would like to express our appreciation for your business and trusting Campbell Scientific with your projects.
