

## Reliable in Harsh Environments

### Overview

The 255-100P/F, manufactured by Novalynx, provides a stainless-steel pipe and fittings for connecting the 255-100 Evaporation Gauge to the 255-200 or another Class A evaporation pan. Campbell Scientific recommends that all

international customers purchase the 255-100P/F because pipe of the correct diameter may be difficult to locate in their country.
